

As a fast growing international corporation with a team of currently 120 enthusiasts, and activities in more than 50 countries, we are in the process of ushering in a new era in therapy systems/products and biotechnology. For this purpose we are looking for clever and visionary minds who like to create and shape, and would fit perfectly into our innovative and quality-oriented company with individual team players. The European headquarters are located in southeastern Berlin.

We are looking as of now for full time and direct hire an

Associate Medical Director (m/f/d)

You will...

- Manage and coordinate medical projects
- Facilitate internal and external medical enquiries
- Review marketing materials
- Contribute significantly to our medical publications, literature summaries and argumentations
- Support and coordinate publication processes
- Support the search for suitable literature to explain the background of our therapy
- Support our medical sales teams (direct sales and distributors)
- Represent our company at conferences and congresses
- Give medical lectures and trainings (internal and external)
- Participate in defining and further develop our medical strategy and writing the company's story
- Actively participate in the design and expansion of CytoSorbents' business models (sales and marketing of medical solutions)
- Directly report to our Senior Medical Director Europe

If you...

- Have a PhD in Medicine and are licensed as a specialist, with experience in Critical Care, preferably as a nephrologist
- Have gained at least 3 years of relevant professional experience within a dynamic and industrial work environment, preferably in the fields of medical technology or pharma
- Show profound German and English language skills in both speaking and writing, and ideally have command of another foreign language
- Are ready to assume staff responsibility
- Like to be based in Berlin with travel activities of around 30 to 40 % of your time

...then we offer you...

- An exciting work environment in a sustainable and successfully growing company with start-up-mentality
- An open-ended full-time contract
- Attractive and flexible working conditions
- A competitive salary package including a stock option programme

...we are looking forward to hearing from you and receiving your prompt application sent to hr@cytosorbents.com.
