

As a fast-growing international corporation with a team of more than 200 enthusiasts, and with activities in 60+ countries, we are in the process of ushering in a new era in therapy systems/products and biotechnology. For this purpose, we are looking for clever and visionary minds who like to create and shape the future, and who would fit perfectly into our innovative and quality-oriented company with individual team players. The European headquarters are located in southeastern Berlin. We are looking as of now for full-time for a:

## Medical Director Liver (m/f/d)

### Where your expertise is needed...

- Be a core contributor in defining and further develop our medical strategy and writing the company's story
- Actively drive the design and execution of CytoSorbents' business models in interdisciplinary teams
- Manage and coordinate scientific projects in the field of extracorporeal liver support
- Facilitate internal and external medical enquiries
- Support and coordinate publication processes, literature summaries and argumentations
- Support our worldwide sales teams with medical content (direct sales and distributors)
- Give medical lectures and trainings (internal and external)
- Represent our company at international conferences and congresses
- Establish, maintain and grow Key Opinion Leader network

### What we are looking for...

- Have a PhD in Medicine and are licensed as a specialist, with experience in nephrology, hepatology and practical conduction of related extracorporeal therapies
- Have gained at least 5 years of relevant professional experience within a dynamic international industry environment, preferably in the fields of medical technology or pharma
- You have the drive to advance topics with a hands-on mentality
- Willingness for extensive international travel activity
- Business fluent English language skills in speaking and writing, and ideally have command of another foreign language

### What we offer you...

- An exciting work environment in a sustainable and successfully growing company with start-up-mentality
- An open-ended full-time contract
- The option to occasionally work remotely
- Attractive and flexible working conditions
- A competitive salary package including a stock option program
- Great team events

...We are looking forward to hearing from you and receiving your prompt application and portfolio sent to [hr@cytosorbents.com](mailto:hr@cytosorbents.com).
